## Introduction

Join an interactive Litigation Committee seminar in London where, via case study, we will discuss a contractual dispute, including:

- Contract oversights litigators attack and pitfalls to avoid
- What you can do, should do and should avoid when it all goes wrong
- How to manage the reputational fall-out

The speakers will share their background from different jurisdictions and will encourage audience participation!

A social programme is also planned allowing plenty of opportunity to meet and socialise with colleagues.

Mark your diaries now, save the dates and make sure to register!

**We are looking forward to welcoming you to London!**
